

Integro Health Cookies Policy

About Integro Health website

Integro Health operates one website, which is:

About Cookies and Similar Technology

A “cookie” is a small, often encrypted text file, located in your web browser directory. The text in a cookie often consists of a string of numbers and letters that uniquely identifies your computer, but it can contain other information as well. Cookies are often used by web pages to help users navigate websites efficiently and perform certain functions within the page or login.

The website can send its own cookie to web browsers if browser preferences allow it. Similar technologies are also often used within emails to understand whether the email had been read and if any links have been clicked.

Integro Health uses cookies to track your movements through Integro Health website, to find out how it is being used and to assess its usefulness. Personal information about you is not collected during the tracking process.

Internet browsers normally accept cookies by default. However, it is possible to set an internet browser to reject cookies. By using Integro Health website, you are consenting to our use of cookies unless you set your internet browser to reject cookies.

The Cookies Integro Health Uses

Below we have described the main cookies and similar technologies Integro Health uses and what we use them for:

Operationally Necessary. Integro Health use cookies, web beacons, or other similar technologies that are necessary to the operation of our sites, services, applications, and tools. This includes technologies that allow you access to our site, services, applications, and tools; that are required to identify irregular site behaviour, prevent fraudulent activity and improve security; or that allow you to make use of our functions such as submitting inquiry forms.

Performance. Integro Health uses cookies, web beacons, or other similar technologies to assess the performance of our website, applications, services, and tools, including as part of our analytic practices to help us understand how our visitors use our website, , determine whether you have viewed an item or link, or to improve our website content, applications, services, or tools.

Functionality. Integro Health uses cookies, web beacons, or other similar technologies that allow us to offer you enhanced functionality when accessing or using our sites, services, applications, or tools. This may include identifying you when you sign into our
